Thank you for the opportunity to quote you our estimate for the repair of the damage to your property. Since this quotation will be used for insurance claim submittal purposes, we have used Xactimate pricing which is an insurance industry standard. The prices are calculated based on local criteria and are deemed to be the most accurate figures available at the time of this estimate. The estimate is hereby based on seen, disclosed, or otherwise obvious damage. Unseen, undisclosed, or otherwise not obvious conditions, if discovered later or during the course of repairs, will be considered not included. If discovered, any necessary additional repairs will be submitted for supplemental coverage, based on Xactimate pricing.
